INDULGENCE ISSUE
TOO MUCH IS NEVER ENOUGH!

This week Z!NK magazine November cover subject **ERIKA JAYNE** takes to the road for a selection of special performance engagements in Chicago, New York, Houston, Miami, San Francisco and Las Vegas. Tonight, Thursday, December 3 and Friday, November 4, the singer, songwriter and dance pop sensation will appear at Circuit Night Club in Chicago before heading to New York City for two additional performances at La Nueva Esquilita Saturday, December 5 and the Van Damme 1 Year Anniversary Show for Suzanne Debarge Sunday, December 6.

The following weekend, on Saturday, December 12, the Atlanta-born, Los Angeles transplant will perform in Houston for a show at Club South Beach and Folies in Miami Sunday, December 13. ERIKA will then head to San Francisco with three club performances—early and late shows at Trigger on Wednesday, December 16 and at The Crib on Thursday, December 17. The tour will wrap with two weekend performances in Las Vegas at The Bank at Bellagio on Friday, December 18 and at Revolution at Mirage on Saturday, December 19.

At these performances, ERIKA along with her troupe of six male dancers will perform various selections from her debut album **PRETTY MESS** (out now on E1 Music). Her repertoire includes a nod to Prince, one of ERIKA's biggest influences, with a cover of his protégé Apollonia's hit "Sex Shooter" as well as her three #1 Billboard Hot Dance Club Songs "Give You Everything," "Roller Coaster" and "Stars."

Produced and co-written with some of today's most in-demand and talented producers – including heavyweights Peter Rafelson (Madonna, Britney Spears, Stevie Nicks) and Eric Kupper (Shakira, Destiny's Child, Kylie Minogue)- Pretty Mess showcases Jayne's talent as both a singer and a songwriter with tracks spanning from rhythmic pop and dance to chill electronic ballads. Wrote Ashley Mateo of Self.com (June 23, 2009), "Equal parts old-school Madonna and Kylie Minogue, Erika Jayne combines the ideas of love, fantasy and escape with rhythmic pop, club beats and mellow electronica for a debut album she's dubbed a Pretty Mess."
